# Amaltheia Goat Cheese and Roasted Heirloom Beet Terrine with Pink Lady Apples and Apple-Pepper Gastrique

Chef Rick Hilles, Triple Creek Ranch, Darby

*Montana Culinary Excellence Award 2004 - Gold Class: First Course*

**Yield:** Terrine 11x3x3, Garnishes for 4

## Terrine

- 3 cups Amaltheia Dairy Goat Cheese
- 5 each Heirloom beets (gold, purple, red)
- 1 cup Beet juice
- 2 Tbsp Powdered gelatin

## Apple-pepper gastrique sauce

- 1 cup Apple juice
- ½ cup Apple cider vinegar
- 1 Tbsp Black pepper mignonette
- ½ cup Chicken stock
- 1 Tbsp Honey
- ¼ lb. Unsalted butter

## Garnishes:

### Apple garnish

Peel the apples and use a melon baller to scoop out the apple as garnish (4 balls per plate). Keep the apple balls in acidulated water to prevent discoloration until use.

### Apple chip

Divide an apple in two. Using a slicer or mandoline, cut paper-thin slices from the center of the apple. Poach the slices in a simple syrup until translucent. Lay out the slices on an oiled baking sheet (or silpat) and dry in a 250° oven until crisp.

### Apple-pepper gastrique

Place the honey, apple juice and cider vinegar in a pan and simmer until reduced to a syrup. Add chicken stock and reduce by 1/3. Without boiling, swirl in cold butter

to thicken to desired consistency. Add black pepper mignonette and adjust acidity and seasoning.

## Frisee

Wash the frisee, separate the leaves and remove any discolored or woody pieces.

## Method:

### Terrine

Roast the beets (with skin on) in a 350° oven until tender. Allow the beets to cool, then peel. Slice the peeled beets to 1/8 inch disks, reserving each color separately. Place goat cheese in a kitchen-aid with paddle attachment and beat to soften to spread-able consistency. Incorporate gelatin into beet juice.

### Assembly: Terrine

Line the terrine with plastic film. Spread a 1-inch layer of goat cheese evenly on the bottom of the terrine. Layer the gold beets into the terrine, followed by the red beets and then the purple beets. Pour the beet juice into the terrine to cover the beets. Wrap the terrine, place in refrigerator and press under a light weight overnight to set. When set, unmold the terrine by inverting on a platter.

### Presentation / Plating Notes

Cut ½ inch slices from the terrine. Place a small bunch of frisee, 4 apple balls and an apple chip on each plate. Lean terrine slice on frisee, and spoon apple-pepper gastrique onto plate.
